40 WALK SCORE®
Car-Dependent

Walk Score® rates an address from 0–100 by how easily everyday errands — groceries, coffee, dining, school pickup — can be done on foot. 50+ means some errands can be walked, 70+ means most can, and 90+ is a rare walker’s paradise. Transit and Bike scores read the same way for public transportation and cycling.

Ratings are GreatSchools Summary Ratings on a 1–10 scale, based on test scores, student progress, and college readiness — 8–10 is above average, 5–7 average, 1–4 below average. Schools shown are the closest rated options within five miles. Attendance boundaries change; always verify enrollment eligibility directly with the school district.
